

NEW YORK STATE WOMEN'S 600 BOWLING CLUB EDUCATIONAL AWARDS

ATTENTION: Please be aware of the scholarships that are available for our Graduating High School Females and for the Continuing Education of a Female (min. 20 years of age). Applications are available from any NYSW 600 BC Officer/Director and on the following web sites: nysw600club.com; nyswba.com; and nyswbcyouth.org. or contact Connie Canfield, Chairman (518) 589-5319.

Sponsors for either of these scholarships must be a member in good standing of the NYSW600 Club.

The 2009 recipients of the graduating high school female were Korrie Lynn Mack from Deerfield, NY and Elisa Napierala from Webster, NY. Korrie plans to attend Syracuse University to study Chemistry/Pre-Med. Elisa plans to attend Nazareth College to follow a course of study in secondary education in mathematics.

Our Continuing Education Award was presented to Mary "Kathy" McSharar from Rockland County. Kathy is attending Rockland Community College and is pursuing an Associates Degree in Business.

Our Continuing Education Award is now know as The Fran Lansbury Memorial Award. Fran served on the 600 Club Board for twenty-nine (29) years and served as President for nine years. Fran sponsored the Adult Award through an anonymous donation for many years to supplement the \$600 award to make it \$1,000. We wish to continue this effort so you will see a table at our State 600 Club Tournament site each year in the registration area with tickets available for "Raffle" items. Last year we had a tablecloth and several handbags. This year we will have a tablecloth hand made by Roberta Bull and an afghan homemade by Lucy Rizzo, the winner of last year's tablecloth.
